BALROSSIE SCOTCH SHORTHORN DISPERSAL

Foreword

This sale is being held only because of "advanced years"—John Inkster would much prefer to be able to continue in the Shorthorn business. He has put together an outstanding herd, one that is nationally known. His Shorthorns have done well by John and John has done well by the Shorthorns. He will continue to reside on the farm and will have plenty of pasture so that cattle may be left at the farm for any reasonable length of time and he will give them the same attention as usual. While this is not a large group of cattle in numbers they are **BIG in SIZE, QUALITY and PRODUCING ABILITY**. Remember also the advantage of buying at a **COMPLETE DISPERSAL** where the entire producing herd is on offer.

Recent herd sires that have been used are as follows:

SEARLE MAX GLORIOUS by **KILLEARN BEGG**
SEARLE MAX SEARLE by **KILLEARN CYRIL 9th**
SEARLE CYRIL MEDALLION by **CRUGGLETON CYRIL (imp)**
AVONCROFT POLAR MERCURY by **EDELLYN CHOICE MERCURY**
SEARLE LIEUTENANT 4P by **SCOTSDALE LIEUTENANT**

All the females except two have been bred up from two cows bred by A. C. McDermot, Goodwood, Ontario—"SANDOON ORANGE BUD" and "SANDOON MAUDE ELAINE" both by "CRUGGLETON PERMIT" (imp). This herd has been well represented at each of the Manitoba Winter Fairs. In 1957 they had the Reserve Grand Champion Futurity bull and Senior and Grand Champion bull and first place Pair of Bulls. This Champion bull, pictured on the front cover of this catalogue, had six of his Get shown by R. J. Draper and Sons and they won five firsts and the Junior and Reserve Grand Championship. John Inkster showed the Shorthorn Grand and Interbreed Supreme Champion bull at the 1960 Brandon Winter Fair and this bull was also Sale Bull Grand Champion and topped the sale at \$1650 going to W. B. Kerr, Portage la Prairie. This bull was described in the Shorthorn News as follows: "The bull was the true modern type with good head, very strong top, deep bodied, good disposition and combining smoothness with size."

The herd is Officially Classified by the Canadian Shorthorn Association. Nine of the cows are Classified, the balance being too young to classify when the herd was done. Of these nine, seven are Classified "AA" and two are Classified "A". The herd sire is also Classified "AA". The cattle will be sold off of pasture in good pasture condition.

I will look forward to meeting my many friends of the Shorthorn breed, and to making many new ones, at this dispersal of Balrossie Shorthorns.

J. R. (JOCK) BLACKLOCK, Manager
Blacklock Auction Service.

GENERAL INFORMATION

HEALTH—Herd is Fully Accredited for T.B. and is Bang's Control Area. Cattle can go anywhere in Canada right from the sale and all tests required for export are guaranteed.

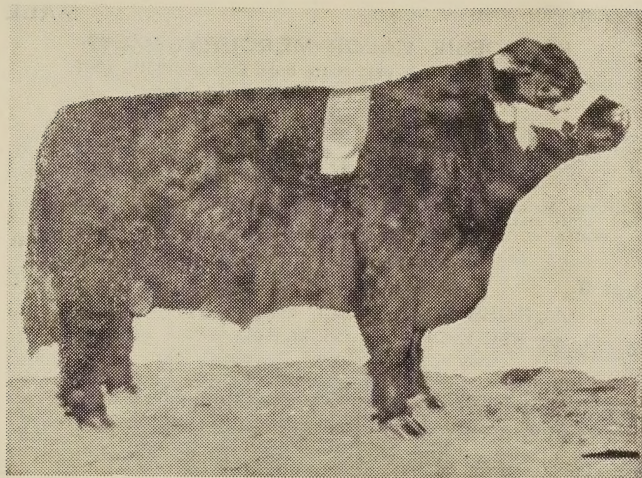

GUARANTEE—The cattle are in good health. Any known defects will be called to the attention of the buyers sale day. Since this is a dispersion sale everything is being sold at the halter and without further guarantee.

MAIL OR PHONE BIDS—Will be accepted by any of the Representatives or the Auctioneer.

SHIPPING—Cattle can be left for any reasonable length of time after the sale. Cattle will be cared for and loaded free or trucks will be arranged. All cattle are at Buyer's Risk as soon as bid off.

INSURANCE—The Auctioneer is a representative of Lloyds of London Livestock Insurance and all purchases may be insured to full value against death from any cause, including transportation accidents.

TERMS OF SALE—Cash. Personal cheques will be accepted.

BALROSSIE MAR MAX

NOTES

SHORTHORNS — FOR MEAT — MILK — PROFIT
Early Maturity and Ease of Fleshing

SEARLE MAX PAYMASTER

Supreme Champion Shorthorn at the Royal Winter Fair. Searle Max Glorious 2nd, Herd Sire at Balrossie, is a paternal brother. Four Searle Farms' bulls have been used at Balrossie.
